

Prescriptions made easier

Your health is in your hands

Your prescription drug coverage is important to your health. With pharmacy benefits from Anthem, powered by CarelonRx, you can track and manage all of your prescriptions in one convenient place. Refill and renew prescriptions, find a pharmacy, and check the cost of medications.

To get started, log in to anthem.com, go to My Plans, and then go to Pharmacy. You can also use the SydneySM Health mobile app.

All of your prescription information in one place

Think of this as a digital version of your medicine cabinet at home. It provides real-time information about your prescriptions, including dosage, days' supply, and the last fill date. You can view your prescription history, check the number of refills left, and request to switch eligible prescriptions to CarelonRx Mail.

No-hassle refills and renewals

Refills and renewals are at your fingertips when you choose CarelonRx Mail. You can turn on automatic refills and renewals, check order status, get notices when your order ships or if something needs your attention, and manage your payments and account balance.

Find ways to save

When you need prescriptions, you can check prices before you get them. See if a generic drug will save you money or if home delivery makes more sense than getting prescriptions at your retail pharmacy. We'll help you understand your options so you can make informed choices for you and your family. You can also save on your prescriptions with available refill pharmacy coupons.

Choose how to stay in touch

When it's time for a refill or when you're due for a health screening, you decide if you'd like us to reach you through a call, email, or text. Opt in or out of alerts and set your payment preferences too.

Log in to anthem.com, or download the Sydney Health app to find out how to get the most from your benefit plan.
