

# Group Long Term Disability Insurance

Group Long Term Disability insurance from Standard Insurance Company helps provide financial protection for insured members by promising to pay a monthly benefit in the event of a covered disability.

The cost of this insurance is paid by Reform Physical Therapy and may be added to your gross monthly income. If premium payments are made with "after-tax" dollars, benefits are federally tax-free under current federal tax law.

## Eligibility

Definition of a Member	You are a member if you are a regular employee of Reform Physical Therapy, actively working at least 35 hours per week, and a citizen or resident of the United States or Canada. You are not a member if you are a temporary or seasonal employee, a full-time member of the armed forces, a leased employee or an independent contractor.
Eligibility Waiting Period	You are eligible on the first of the month that follows the date you become a member.

Maximum Monthly Benefit	\$4,000
Minimum Monthly Benefit	\$100 or 10 percent of the Long Term Disability benefit before reduction by deductible income, whichever is greater
Benefit Waiting Period	90 days

**Definition of Disability**

For the benefit waiting period and the first 24 months that Long Term Disability benefits are payable, you will be considered disabled if, as a result of physical disease, injury, pregnancy or mental disorder:

- You are unable to perform with reasonable continuity the material duties of your own occupation, and
- You suffer a loss of at least 20 percent of your predisability earnings when working in your own occupation.

You are not considered disabled merely because your right to perform your own occupation is restricted, including a restriction or loss of license.

After the own occupation period of disability, you will be considered disabled if, as a result of a physical disease, injury, pregnancy or mental disorder, you are unable to perform with reasonable continuity the material duties of any occupation.

**Maximum Benefit Period**

If you become disabled before age 62, Long Term Disability benefits may continue during disability until age 65 or to the Social Security Normal Retirement Age (SSNRA) or 3 years 6 months, whichever is longest. If you become disabled at age 62 or older, the benefit duration is determined by the age when disability begins:

Age	Maximum Benefit Period
62	To SSNRA, or 3 years 6 months, whichever is longer
63	To SSNRA, or 3 years, whichever is longer
64	To SSNRA, or 2 years 6 months, whichever is longer
